History, Hatred, Racism's A War  
We're Not Going To Take The Blame  
For Histories Shame, No More  
Too Long, We Carry The Load  
Too Long, We Carry The Load  
Too Long, We Carry The Load  
Too Long,

Open Your Eyes  
Look Beyond The Lies  
Cut The Drama  
Because Theres No Surprise  
There Comes A Time  
I Hope You Find  
A Time To Lead With Your Own Mind  
Time Comes You Can't Hesitate  
Time Comes To No Longer Wait  
Time Has Come To Set The Record Straight  
Down To Us To Destroy The Hate

Down The Road We Carry The Load  
It Ain't No Joke  
History Preserves The Distance  
Between You And Me, But I Say  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry

I Came To Find  
The Truth For Myself  
It Made Sense To Me  
Fuck Everyone Else  
Hysteria, Hysteria, Everybody Run  
Everybody Run To Your Favorite Medium  
Fear Manifests In Big Brothers System  
Wake The Fuck Up!  
You're Not A Victim

Down The Road We Carry The Load  
It Ain't No Joke  
History Preserves The Distance  
Between You And Me, But I Say  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry

Who Think It Funny?  
You Won't Hear Me Laugh  
Because We Can't Tolerate  
Any Racist Plan  
Who Think It Funny  
We Come With A Master Plan  
Because We Chant Unity  
Till All The World Understand  
Too Long, We Carry The Load  
Too Long, We Carry The Load

Open Your Eyes  
Look Beyond The Lies  
Cut The Drama  
Because There's No Surprise-No  
Comes A Time I Hope You Find  
A Time To Lead With Your Own Mind

Because, Hysteria, Hysteria  
Everybody Run  
Everybody Run To Your Favorite Medium  
Fear Manifests In Big Brothers System  
Wake The Fuck Up!  
You're Not A Victim

Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
History Preserves The Distance  
Between You And Me, But I Say  
Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load  
Too Long

Down The Road We Carry The Load  
Too Long  
Down The Road We Carry The Load

You Seem Oh-So-Far Away
