If you go away on this summer's day,  
Then you might as well take the sun away  
All the birds that flew in the summer sky  
When our love was new and our hearts were high  
When the day was young and the nights were long  
And the moon stood still for the night bird's song  
If you go away, if you go away, if you go away.  
But if you stay, I'll make you a day  
Like no day has been, or will be again  
We'll sail on the sun, we'll ride on the rain  
And talk to the trees and worship the wind  
But if you go, I'll understand  
Leave me just enough love to fill up my hand  
If you go away, if you go away, if you go away.  
If you go, as I know you will  
You must tell the world to stop turning  
Till you return again, if you ever do,  
For what good is love without loving you?  
Can I tell you now, as you turn to go  
I'll be dying slowly till the next hello  
If you go away, if you go away, if you go away.

But if you stay, I'll make you a night  
Like no night has been, or will be again  
I'll sail on your smile, I'll ride on your touch  
I'll talk to your eyes that I love so much  
But if you go, I won't cry  
Though the good is gone from the word goodbye  
If you go away, if you go away, if you go away.  
If you go away, as I know you must  
There is nothing left in this world to trust  
Just an empty room, full of empty space  
Like the empty look I see on your face  
I'd have been the shadow of your shadow  
If you might have kept me by your side  
If you go away, if you go away, if you go away
