If you go away,  
On this summer's day  
Then you might as well  
Take the sun away  
Or the birds that flew  
In the summer sky  
When our love was new  
And our hearts were high  
And the day was young  
And the nights were young  
And the moon stood still  
For the night bird's song  
If you go away  
But if you stay, I'll make you a day  
like no day has been  
Or will be again  
We'll sail on the sun  
We'll ride on the rain  
And talk to the trees  
And worships the waves  
But if you go away

I'll understand

Leave me just enough love to fill up my hand

If you go away

If you go away

As I know you will

You must tell the world to stop turnin

Til you return again

If you ever do

For what good is love

Without lovin you

Can I tell you now, as you turn to go

I'll be dying slowly

Til the next hello

If you go away

But if you stay, I'll make you a night

Like no night has been or will be again

I'll sail on your smile

I'll ride on your touch

I'll talk to your eyes that I love so much

But if you go

I won't cry

For the good is gone

From the word goodbye

If you go away

As I know you must

There is nothin left  
In this world to trust  
Just an empty room  
Full of empty space  
Like the empty look I see on your face  
And I beat the shadow, of your shadow  
if you might have kept me, by your side  
If you go away
