Let's get drunk on Saturday

Walk up Primrose Hill until we lose our way

We'll get sunburned on the grass

Playing silly buggers 'till I make a pass

And you laugh at my face

Chorus:

Unemployed in summertime

I've only just turned 21, I'll be ok

Unemployed in summertime

Don't need money 'cause we're young

I'll just stay awake till the morning

With make up all over my face

Sorry don't get mad at me

I just did the sex quizz from your magazine

You're my best friend in the world

Just like me you don't do anything you're told

Chorus

On a mission for my summer kiss

I close my eyes and wet my lips

But then I miss

And you laugh at my face

Chorus

Unemployed in summertime

I've only just turned 21, I'll be ok
