[Yung Berg:]

Do you believe in dreams?
Will it come true?
If you believe in me, then I believe in you.
Yeah Casha
It's your time babygirl
Look at this now shawty
You done came a long way
Remember us in lil bro video shoot
We knew it was something special
I ask one question.
Are you replied like this

[Casha:]

Yeah shawty I'm a ride for ya (You gon ride)
Shaw-Shaw-Shawty I'm a ride for ya (Ride for me)
Yeah shawty I'm a ride for ya (Ride For Me)
Shaw-Shaw-Shawty I'm a ride for ya (Yeah)

[Yung Berg:]

We done had a lot of fake dudes contest us
Sexy lady was just a throw away
This is hit records
We are the future

[Casha:]

You ain't never met a girl like me
On a real ass holding you down
If you wanna keep a girl like me
Babyboy you gotta tell me now
Would you ride? (Ride or Die for me)
Would you ride? (Ride or Die for me)
Baby would you ride (Ride or Die for me)
I wanna see you Ride - or - Die - for - me
I wanna see you ride ride ride ride, ride for me
Baby can you ride ride ride ride, ride for mee

They love me, They love me, They love me.

[Casha:]
