From the Chi to VA ,
Boy where ever u stay ,
You know i just can't wait to have,
Sex In The City with u.

[Talking] Good morning ladys , its about that time
again.
And i did it for u

Aye !
So tell me what it is,
Baby what it do,
Shawty im just tryna put that business on u
Touch right there and make my move,
No dinner needed , imma eat my boo
A freak like her plus a freak like me
Throw them legs ups, put ur hands on me
Nails in my back, lemme hear u scream
Face in the pillow til u cannot breath

I'll work it out all night, dont i do it so good
Tryna take my girl, tryna cop my bxtch , no u wish u
could
Come straight from the Chi , she reppin' LA
Sex in the city, baby watch it all day
Shawty fxck like Samantha ,
Choose like Karey ,
Looking for a big date , tryna get married

So i met her on a monday ,
Called her on a tuesday ,
On wednesday we kissed and made a high def movie
We started in the shower , straight to the jacuzzi
Then she put it on me ,
I said shawty don't stop , keep going

[Chorus] (GIRL)
I wanna be ur lover
Wanna be ur girl
Wanna be ur everything
Give u my world
Sex in the city, Sex in the city , Sex in the city

Sex in the city ,
From NY to LA or Atlanta, GA
You know i just can't wait to have, Sex in the city
From the Chi to Va , boy where ever u stay
You know i just can't wait to have Sex in the city with u

Now tell me all ur vicky secrets ,
Lemme know ur vicky secrets ,
I wanna know , I wanna know
I I wanna know , I wanna know

Eat it from the back ,
And give u head to the
Im tryna go deep, baby spread them cheeks
In my imagination , i can see u and me
Imagine ur drink , Sex on the beach

I'll work it out all night
Tryna take my girl, tryna cop my bxtch , no u wish u
could
You know im coming from the Chi ,
Shawty reppin ' VA
2 up , 2 down , lemme hit it sideways
Swag like Sharlet ,
Face like Karey
Looking for a big date , tryna get married

So i met her on a monday ,
Called her on a tuesday ,
On wednesday we kissed and made a high def movie
We started in the shower , straight to the jacuzzi
Then she put it on me ,
I said shawty don't stop , keep going , dont stop, dont
stop

[Chorus] (GIRL)
I wanna be ur lover
Wanna be ur girl
Wanna be ur everything
Give u my world
Sex in the city, Sex in the city , Sex in the city
Sex in the city ,
From NY to LA or Atlanta, GA
You know i just can't wait to have, Sex in the city
From the Chi to Va , boy where ever u stay
You know i just can't wait to have Sex in the city with u

[Bridge]
See i met her on a monday ,
Called her on a tuesday ,
On wednesday we kissed and made a high def movie

We started in the shower , straight to the jacuzzi
Then she put it on me ,
I said shawty don't stop , keep going , dont stop, dont
stop

Then she put it on me ,
I said shawty don't stop , keep going , dont stop, dont
stop
Then she put it on me ,
I said shawty don't stop , keep going , dont stop, dont
stop
