

# Yung Berg "What It Do"

Visit "[What It Do](#)" on MotoLyrics.com

Down south let me see what ya bouncin' like  
West coast let me see what ya crumpin' like  
Mid West let me see what ya mono like  
East coast let me see what ya shakin' like  
C'mon

[Bow Wow]

[Verse One]

You seen my tapes, seen my shows  
Heard my songs, you know how it goes  
Since 87 I've been having this effect on these females  
Power to make them stand and listen to me like a sea  
shell  
I got what they want, I know how they like it  
Got what ya need baby please don't fight it  
You know my status, know my flow  
You know thaty nigga that u wit, he aint even close

[Hook]

I'm money in da bag, all I do is pop tags  
Don't you wanna be down, with somebody that's gonna  
make you smile and laugh  
Don't you wanna be down  
I'm young, I'm fly and I got the swag, that u need in  
your life  
I'm a young J.Brown, I'm super bad, guaranteed to treat  
you right  
Let's ride

[Chorus]

All I need is one time and I bet you go crazy  
Cuz imma make you do what it do baby  
No if's, no and's, no but's or maybe's  
Cuz imma make you do what it do baby  
Don't worry, don't trip, just hurry hurry and bring it over  
here baby  
Don't worry, don't trip, just hurry cuz imma make you  
do what it do baby

[Verse Two]

Ya nigga 18 now, you aint know  
If you touch me like you did when we was kids UH OH

It's on, it's on, imma take ya home  
I'm grown, I'm grown, I'll make ya moan

If you want it, better act like you want it cuz the girl  
right beside you want your spot  
If you know what it is, act like you know, bring your  
pretty self over here and drop it like it's hot  
For the Beezy weezy lil like easy, say in on the tele and  
do it like it's for tv  
You could win or lose, it's up to you how u play it  
You see it, I aint gotta say it, I'm money in the bag all I  
do is pop tags  
Don't you wanna be down  
With somebody that's gonna make you smile and laugh  
Don't you wanna be down
