Album: IN LUST WE TRUST (2002)

I have never been mean
Never been as bad as it may have seemed
I have never been vile
Never been twisted or unkind
Maybe Im working too hard,
Maybe Im out of my mind
Maybe there will be a day
'Cause Ive been losing my way
For such a very long time
That now I no longer know
Where to go

Oh, I wish I was a virgin
A virgin like you
I wish I had a distance
To put me through
I wish I had a burden
Wish that I had a dream
I wish I was as simple as you seem

Here we go again
When every direction leads to pain
And the one left I know
Is the one that Im most certain
I dont want to go

Maybe there will be a day,
Maybe Im out of my head
Maybe love wasnt for us
'Cause Ive been losing my touch
For such a very long time
That I no longer know very much at all

I wish I was a virgin
A virgin like ou
I wish I had a distance
To put me through
I wish I had a burden
Wish that I had a dream

I wish I was as simple as you seem

There was a time when I was a man
And everything was easy to understand
But now Im floating like a shipwreck
Shrunk to fit in a foreign land
I have never been mean never been as Bad as it may
have seemed
