In The City Of Eighth Million People  
Loneliness Just Couldn't Be Shared  
There I Was Again In The House Of Lost Regrets  
With Burned Out Hypocrites  
The Incrowd Said  
They'd Be Hip Till They Were Dead  
They're Wore That Coolness Of Theirs With Pride  
And Dignity  
Yeah Yeah...

If You Wanna Hear Some Thruth  
I'll Sit Down And Talk To You  
Down On Center Avenue  
I'll Show You That The Blues  
Just Ain't Something You Loose  
Down On Center Avenue

Sharp Dressed Opinionated People  
Dedicated Followers Of Fashion  
With Their Pointed Heads  
Buying All The Reasons They Needed  
To Live In Their Storybook Downtown Dead Ends  
With Foundimental Liberties  
That Wear In Majority Of One  
They Were Swimming Down The Drain Of Freedom  
If You Ask Me I Just Barely Give Them A 10% Status  
In The Cool Parade But No One Ever Asked Me  
So I Woke Up Every Mornig Took A Good Look Around  
And When I Thought Thinks Might Be Okay  
I Realizad This Small Town Crowd  
With Little Dreams Were Buying All The Time They  
Needed  
To Find Reasons To Be Yeah...  
So Listen Know Look Me Up Sometimes  
And Bring Along Some Wine

If You Wanna Hear Some Thruth  
I'll Sit Down And Talk To You  
Down On Center Avenue  
I'll Show You That The Blues  
Just Ain't Something You Loose  
Down On Center Avenue

And There Was Nothing That Could Be Done  
No... Oh... Oh... Oh.... Oh..... Oh.....

In The City Of Eighth Million People  
Loneliness Just Couldn't Be Shared  
There I Was Again In The House Of Lost Regrets  
With Burned Out Hypocrites  
The Incrowd Always Said  
They'd Be Hip Till They Were Dead  
They're Wore That Coolness Of Theirs With Pride  
And Dignity  
So The Whole Fucking World Could See  
Sharp Dressed Opinionated People  
Dedicated Followers Of Fashion  
With Their Pointed Heads  
Buying All The Reasons

If You Wanna Hear Some Thruth  
I'll Sit Down And Talk To You  
Down On Center Avenue  
I'll Show You That The Blues  
Just Ain't Something You Loose  
Down On Center Avenue  
Down On Center Avenue  
Down On Center Avenue  
I'll Show You That The Blues  
Just Ain't Something You Loose  
Down On Center Avenue
