Album: IN LUST WE TRUST (2002)

Well, Ive had my share  
Of remarks about my rear  
But I know its all 'bout fear  
And that youd probably love it  
If youd only dare  
And I know q thousand girls  
Whod go wild  
If Id ask them to bear my child  
So I dont see why youd even care  
To prevent me  
'Cause I can swear,

That one day I will become  
The father of a son  
Hallelujah hallelujah hallelujah!  
One day I will become  
The father of a son  
Hallelujah hallelujah hallelujah!

And youre totally fogged in you head  
If you were serious right now  
When you said  
That "its because  
They will be bullied in school"  
'Cause that means you let the bullies  
Set the rules

And you can legislate and oppress  
And you can make my life a mess  
But you cant change the way I feel  
Or convince me that my wish is unreal

And you can strike me down  
And fence me  
And you can claim  
That theres opinion against me  
But Ill still win over you, sir  
'Cause if you fight love,  
Youre always a loser...

So, one day I will become  
The father of a son  
Hallelujah hallelujah hallelujah!

And I may be gay  
But I can tell you straight away  
That Ill become a better father than  
All of you anyway...(so listen!)  
One day I will become  
The father of a son Hallelujah hallelujah hallelujah!
