And it wears you out and it wears you down, but:

Girl you're gonna get 'em, real soon  
Girl you're gonna get 'em, real soon

Aaow! Aaow! Girl you're gonna get 'em, real soon!  
Aaow! Aaow! Girl you're gonna get 'em, real soon!

Well you've heard about rumba and you've heard about  
jazz

And that if you really want it then you have to ask  
That's when you're gonna say: You can kiss my ass!  
Cause Girl you're gonna get 'em, real soon  
Girl you're gonna get 'em, real soon

And you've heard about monkeys and monkey-do  
And that monkeys all are cheaters and it's mostly true  
But I tell you little monkey that this monkey  
tells the truth when he says:

Girl you're gonna get 'em, real soon  
Girl you're gonna get 'em, real soon

Aaow! Aaow! Girl you're gonna get 'em, real soon!  
Aaow! Aaow! Girl you're gonna get 'em, real soon!
