Album: IN LUST WE TRUST (2002)

Why should it be so bad to be bad,
When its so hard to be anything at all?
And why does everyone seem to forget
What its like to be all alone
- As soon as they
Have got someone, oh its no fun
It makes me wanna vanish and die
Maybe Ill throw all my clothes
Into a waterfall
And sit and spy whilently all cry
- You get so silly when youre lonely
And you think that youre the only
Wholl say:
I hope that someones gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much older

Maybe you all would consider it a joke
If I say that I hate myself
But now and then
When I look into the mirror
All I see is a big mistake
(And wouldnt you)
Well, I just wanna be fun
Just wanna be the one
Who makes you smile
I just wanna believe
That I could be something to someone
- Am I the only one around here,
Whos not gonna live my life in fear?

I hope that someones gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much older

(- I dont understand you!)
- And why would you?

(- Can you tell me
What is on my mind?)
- I dont have words to say
How much I think I owe you, - We aint gonna live our
lives in fear...
