Album: IN LUST WE TRUST (2002)

Are you tired of being an object?
Or did you never get the chance
To be one,
And now you wanna make sure
Theres no fun
Youve been missing?
- Are you tired of being an object?
Or are you just jealous
That you aint one,
Now you realized that those objects
Do all the kissing?

Well dont project you spleen
On the girl on the magazine
-You never know,
Maybe shes feeling quite comfortable
The only human right for which Im
Gonna fight
Is everybodys right to sometimes feel
Irresistible

- Uh-oh, maybe its you who need
Confidence?
- Maybe its you who need real freinds?
Well she doesnt need your voice
'Cause shes already got one

And though she doesnt push
With as much force
It can even be stronger than yours
When she uses it
In a sensi-sensi-sensual whisper

Well, dont project your bore
On the girl on the dance floor
- She doesnt at all find
The mens looks abusive
She doesnt want your shield
- Maybe shes the one whos free

- Maybe sometimes getting fucked
Can be amusing...?

Well, dont project your bore
On the girl on the floor
- Dont project your bile
On the girl you can dial
She doesnt want your shield
- Maybe shes the one whos free
- Maybe sometimes getting fucked Can be amusing...?
