Da first time I saw dat girl I was like WHOA  
Lookin' like a model everytime she strike a pose  
I be lookin' good up in my seven sixty coupe  
See I was blowing purple smoke all up out da roof  
My number in her pocket so you know she gon' call  
When she hit da phone dawg know we bout to ball  
Money in my pocket girl everythang' good  
Tats on my face you can tell I'm from da hood  
Nevermind dat, I'm a let you meet the team  
Let you meet TIP I be rockin with da king  
Grand hustle girl yeah everythang kosher  
Get ya in da bed and I'm a do you like I'm posta,  
Foreal

[Chorus:]

She caught me so off guard  
Got me feelin like oh my God  
Shawty shot me,  
Shawty got me,  
Shawty shot me like a taser gun  
My numbers in her pocket,  
I'm spaced out like a rocket.  
Shawty shot me,  
Shawty got me,  
Shawty shot me like a taser gun

[Verse 2:]

I'm a try hit shawty like a high note BOW!  
I wanna dive baby girl and do the back stroke  
Shawty got a nigger, shawty shot da nigger  
Shawty pull da taser gun out and shot a nigger  
Light skin long hair dats the beauty queen  
She the kinda girl you see up on da movie screen  
She the kinda girl dat make make you wanna call her  
wife  
She got her own and that's the kinda girl that I like

She a dime piece, she a diva too  
She like the true religion jeans with the prada boots  
Shawty say she like me  
Cause I'm from the Ville  
She want a yung fly guy and dats just what it is

[Chorus:]

She caught me so off guard  
Got me feelin like oh my God  
Shawty shot me,  
Shawty got me,  
Shawty shot me like a taser gun  
My numbers in her pocket,  
I'm spaced out like a rocket.  
Shawty shot me,  
Shawty got me,  
Shawty shot me like a taser gun
