Let go!
(Go,go)

Yeah!

Doomed
Doomed
Doomed on valentine's day
If shes just a girl and she's so strange
February 14 never the same

Shes Doomed
Doomed
Doomed on valentine day
If she's just a girl and shes so strange
February 14 never the same

So come on everybody
lets save this girl
this is the story of the girl that had
a knife on her veins
and she must be saved
valentine's day is never the same

so come on everybody
lets save this girl
this is the story of the girl that had
a messed up life
it could be okay
Valentine's day is never the same

And the story of
the girl who hides away her pain
please don't cry its all okay
lets make it better
Together today!

Shes doomed
doomed
doomed on valentine's day

Doomed!
Doomed!
Doomed on valentine's day

Doomed!
Doomed!
Doomed on valentine's day

Doomed!
Doomed!
Doomed on valentine's...
Day!

Doomed on valentine's day!
Doomed!
Doomed!
Doomed on valentine's day!

Shes got the bullet
shes got the gun
pull back the trigger
let's end the fun

all right now, ladies and gentlemen
i wanna see all you clap your f**king hands
c'mon

Shes got the bullet
(this is the story)
shes got the gun
(about a girl)
Pull back the trigger
(named Kristy)

She's doomed

February 14 never the same
She's doomed
