Monster by Soan

There's a monster in my bedroom and the moonlight
overthrows you

I'm ten years old...

No more fairytales to inhale even though I'm broken

My breath is hold and i feel lonesome, when she's gone

I feel blind enough to pray when she's away

I'm naked in a church and the preacher man wants an
awesome truth has been told

Hit me when I scared so that i can see i can bleed

my heart is broken I feel lonesome , when she's gone

I feel blind enough to pray when she's away

But have you ever call the Lord

Searching for one another chord

That sounded like pearls of tears dropped in water

Searching your words as a piece of her

You thought that you cere creeping

And according to the clouds you were

Six feet under this morning

Monster in my bedroom and the moonlight overthrows
you

I sold the world.

Kiss me when I'm there so that I can see if your lips.

And if your soul feel lonesome, when I'm gone.

Feel blind enough to pray when she's away.
