The Storm by Soan
I thought she was a hurricane

she said I' m a storm

Whisperin old fairytales

I' m turning on my own

Would you come and blow with me

Forever and a day

I' m so glad to cross your way

Said I, but I' m a tree

Sorry please kill me I need you

And anyway tomorrow comes

The season of the witch

I' ll be praying thunderstorms

If you don' t call the beast

I' m the one to disappear

She said I love you so

but love isn't everything

so "Shut!" said I and blow

Sorry please kill me I need you

If you missed me

I could miss you

I've been sober for a week

I don't need to grow for older

sober and over

sober and over

sober and over

I thought she was a hurricane

she said i'm a storm whispering old fairytales

I'm turning on my own

Would you come and blow with me

Forever and a day

I'm so glad to cross your way

Said I but I'm a tree

Sorry please kill me I need you

If you missed me

I could miss you

I've been sober for a week

I don't need to grow for older

sober and over

sober and over

sober and over

I've been sober for a week

I don't need to grow older

sober and over

sober and over

sober and over
