I'm Like Jason, I'm Chasing, All Sucker MC's, He's  
Killing, I'm  
Chilling, With Rhymes Like These, You Say Your A  
Menace To  
Society, But You Ain't Nothing Until You Battled Me, I'm  
Terrorizing People Of This Neighborhood, Getting Lot's  
Of  
Respect And You Wish You Could, I'm Not LL. I Don't  
Think  
I'm Bad, Your Girl Is On My Jock And It Makes You Mad,  
The  
Terror I Bring, It Will Not Cease, I'm Smashing MC's Like  
A  
Savage Beast, When I Get On The Mic All People  
Applaud, I  
Don't Need To Act Brave Cause I'm Already Hard, I Put  
Fear In  
Their Hearts When I Walk In The Place, You Can Tell I'm  
Hard  
By The Look On My Face, I'm Pulverizing, Not  
Compromising,  
MC's And People I'm Surprising, Cause Now There Is A  
New  
Terror That's Rising, Come Up Against Me And You'll Be  
The  
Next One I'm Victimizing.
