If I could keep a secret I know you could keep two  
I bet you never thought the devil would come in  
dressed like you  
Take off your mask called "wife", wear "lust" and call it  
"fate"  
A word used for "morality", as a means to compensate  
Hey Mrs Potiphar, don't look at me like so  
Your hands are in the air but you're not letting go  
Hey Mrs. Potiphar, go find another slave  
God knows how I'm trying but its hard to be brave  
The horse I ride so morally, is a horse I cannot see  
But I ride it, coz it'll take me to where I want to be  
The dream inside my head is the dream inside me  
heart  
But never in all my dreams did you play such a part  
Hey Mrs Potiphar, don't look at me like so  
Your hands are in the air but you're not letting go  
Hey Mrs. Potiphar, go find another slave  
God knows how I'm trying but its hard to be brave  
I'm trying to be faithful to the call I think I know  
And it better be, coz if its not, I'm sure I would have let  
go  
You'd have no one to tell and I'd keep my mouth shut  
tight  
Human eyes are feeble eyes, but its a spirit I fight  
Hey Mrs Potiphar, don't look at me like so  
Your hands are in the air but you're not letting go  
Hey Mrs. Potiphar, go find another slave  
God knows how I'm trying but its hard to be brave  
Is it wrong if no one saw  
There was less trouble in my jail before  
You've got it all but you still want more  
You're picking your teeth with your diamond claw  
I have to run now, but I leave you my cloak  
If I go missing spill some blood and let it soak  
My house just might believe it, my brothers once sold  
those lies  
You'll act like I was never here, but I'll be trapped in  
your eyes  
Hey Mrs Potiphar, don't look at me like so  
Your hands are in the air but you're not letting go

Hey Mrs. Potiphar, go find another slave  
God knows how I'm trying but its hard to be brave...
