THERE'S LIFE IN THE STARS ABOVE
I WISH THEY WOULD GRANT
ALL THE THINGS THAT I LOVE AND EVERYTHING I CAN'T
IT'S EASY TO PRETEND WHEN ALL THE WORLD'S GONE
MAD
I FEED OFF ALL THE LOVE VENUS SHE DONE HAD

EVERYTHING - I ENDURE
I LOOK UP TO THE SKY - KNOW THERE'S A CURE

HEAVY VIBRATOR, WHO DO YOU LOVE
HEAVY VIBRATOR - WON'T YOU COME
I NEED YOUR TOUCH - I NEED YOUR HAND
I NEED SO MUCH - WON'T YOU BE MY FRIEND

THE NIGHT'S BEEN CALM AND CLEAR

I CAN FEEL IT PASS
ORION WON'T BELIEVE THE SPLENDOR IN THE GRASS
BIG EASY DON'T YOU CARE THE WORLD IS AT YOUR
DOOR
THE STARS WON'T TELL YOU NOW BUT THEY ALL KNOW
FOR SURE

EVERYTHING - I ENDURE
I LOOK UP TO THE SKY - KNOW THERE'S A CURE

HEAVY VIBRATOR, WHO DO YOU LOVE
HEAVY VIBRATOR, WON'T YOU COME
I NEED YOUR TOUCH - I NEED YOUR HAND
I NEED SO MUCH - WON'T YOU BE MY FRIEND
