She said she tired of the lies and the pain  
She say she done with men cause she claim they all the  
same  
Gave it up fast cause the dude she was with had a  
good game with em  
So he hit it then he dipped  
She went off looks  
She didn't even try to get to know em  
Now she looking really dumb cause she didn't even  
know em  
Her friend hooked her up  
He probably hit her too (STAIN)  
These females simple minded they don't even have a  
clue  
You blaming all men try blaming yourself  
You can't be mad for yo decisions be mad at yourself  
Everything anit how it seems open up ya eyes  
The ones you least expect could be the ones that treat  
chu right  
Everyday you may be thinking will I find love  
But chu know you in the wrong always trying to chase a  
thug-  
Yeah- you know you in the wrong girl

\*Chorus\*

She said  
All men are the same  
I told her that she need to stop messing with them  
lames  
Got her heart broke once  
Now she wanna claim that it's not a single dude that  
don't be on games  
GIRL  
You need to take a shot to this song and think about  
what chu said  
Cause it's all wrong  
GIRL  
You need to take a shot to this song and think about  
what chu said  
Cause it's all wrong
