Chorus

Now I got fame
Now I got dough
Make these model chicks go and drop it to the flo'
When I anit have money they anit hit me up at all
Now they see a nigga ballin' so the tryin' get involved
I hit em with that
Go Go Go
Away X4

Now I got dough
So chicks tryin' holla
Asking Yung Prince can you go and be my sponsor
Now I'm on top and I'm not coming down-
All my exes looking dumb with a frown
Said I wouldn't make it
Now I'm cashing out
And I ion't give a fuck ion't need a bank account
I bought a new whip so you know I'm riding out
People who was talking down quick to put they hands
out
I'm not that nice I'm not giving shit
Cause when I had nothing people didn't give a shit
I'm just doing me
I got my team straight
The way we splurging out you would think we baked
cake
I'm on my grind I'm going to the top
You should of caught a clue when I made "We Get
Guap"
We anit gone stop and Xup be the team
They said we wouldn't make it- it musta been a dream

Chorus

Now I got fame
Now I got dough
Make these model chicks go and drop it to the flo'
When I anit have money they anit hit me up at all
Now they see a nigga ballin' so the tryin' get involved
I hit em with that
Go Go Go

Away X4

I'm in a different state
Every other day
Shawty hit me up
Begging me to stay
Pop some more bottles
Pour up that Rozay
If you anit fuckin' with me
Get the hell up out my face
Money coming in money going out
The way she move that thang
Got me feeling like a scout
Chick number two let me see watchu about
The way she dropped and did the splits had all my
niggas
Open mouthed
This is how I live every single night
Taking niggas girlfriends and borrow them for the
night
You say anit right I say it's all good
I came up from nothing now I'm living all good
When I had nothing they didn't even look
So I show my ass on em make em get a second look
My money coming fast big money folding
I know you haters mad cause you can't go where I'm
going

Chorus

Now I got fame
Now I got dough
Make these model chicks go and drop it to the flo'
When I anit have money they anit hit me up at all
Now they see a nigga ballin' so the tryin' get involved
I hit em with that
Go Go Go
Away X4]

[Bridge]

[I'm getting dough
Everyday
How you get it
In every way
She say she wanna roll
She say she wanna taste
I had to tell that broad
Jus-jus-just go away X2]

Go Go Go
Away X4
