(Chorus X2)

How fly can this one guy be
Looking so fresh when I step on the scene
Girls like E when they look at me
Dudes like damn why can't that be me

You can call me Mr. Stunt a lot yeah I like to stunt a lot
fresh fit fresh kicks
So that mean I'm making guap bitches all on me so that
mean that I am getting twat
Better lock down ya girl cause I might just get at her
Money game crazy my flow is contagious bitches all all
over wanna have my baby
I don't give a fuck cause I'm focused on my paper no
time for you hating
I will see you later bitch I'm so fresh like I came out a

On me and they know I make a lot of guap niggas

But they anit even even fly as I
I am so high you would think I work for NASA
(Nigga was good I am so clean nigga was good my
swag game mean X2)

(Chorus X2)

How fly can this one guy be
Looking so fresh when I step on the scene
Girls like E when they look at me
Dudes like damn why can't that be me
