Chorus

Money(x5)

Yeah that's all that I know (that I know)

She say she wanna be my wifey(wifey)

I can never go (Oh no)

(Wake me up from this dream

This anit reality x3)

Cause things anit really how they seem to be

Started off as a youngin with a big dream

Who would of know I would of ended

On the big screen people did me bogus

They knocked my motivation saying stop rapping

It's not cha occupation now I'm making paper more

Then I ever did rocking shows and hitting places that
chu never been

I member back then most the girls turned me down

But since my money came they claim that I drive em
wild

I do not need a chick I need to do me

But if you talking groupies then imma do three

I keep my circle small I mess wit a few a lot of people
phony

I gotta stay on cue

Chorus

Money(x5)

Yeah that's all that I know (that I know)

She say she wanna be my wifey(wifey)

I can never go (Oh no)

(Wake me up from this dream

This anit reality x3)

Cause things anit really how they seem to be

I been threw a lot and I'm still standing

I lost a lot of people but I don't feel abandoned

I swear I'm on a mission that's what I'm here

For people changing on me but I just let em go

I came up with no daddy yeah that's kinda sad

And when I see em he wonder why I don't call em dad

I only love one woman in this whole world and that's my
grandma

Without her would be a cold world I'm trying to get it in
I'm trying to live my dream a lot of people doubted me
But I'm doing my thing I don't need a chick
Because they bring drama I gotta focus
On my needs and get this money proper

Chorus

Money(x5)

Yeah that's all that I know (that I know)

She say she wanna be my wifey (wifey)

I can never go (Oh no)

(Wake me up from this dream

This anit reality x3)

Cause things anit really how they seem to be
