Chorus

We be having sex in the morning
We wake up
She on it
Imma beat that thang
Cause I know she really want it
Sex in the morning
She wake up
I'm yawning
The way she put it down really gotta nigga zoning

[SHEED]

Six in the morning
I wake up
I'm yawning
Chillin' with my bitch
And I know she really wont it
She know I do this shit
So no need for the frontin'
Boss man status so you know I keep on cumin'
I do my job right when I'm with my bitch
Couple shots of the Vodka now she ready to be hit
Started with a nightcap now she gone in this bitch
Never coming for games you know I'm on in this bitch
Putting it down
Cause I never been a lame
Always going hard stay on top of my game
Gotta bad bitch with me
Only cause of her brain
I showed her I'm the truth
With no time for games

Chorus

We be having sex in the morning
We wake up
She on it
Imma beat that thang
Cause I know she really want it
Sex in the morning
She wake up
I'm yawning

The way she put it down really gotta nigga zoning

Sex in the morning

We wake up

She on it

Imma beat that thang

Cause I know she really want it

Sex in the morning

She wake up

I'm yawning

The way she put it down really gotta nigga zoning

[Yung Prince]

Wake up in the mornin'

Layin' with my shawty

The way she lookin' I can tell she wanna get naughty

7 A.M.- that's what the clock say

The way I'm feeling now- we can go all day

Lingerie on- she feeling on my body

I'm gripping on that ass

I think it's time to ride meh

Get the rubber out- so we can get it in

Turn yo phone off

Who cares about cha friends--

The way you make me feel though-- UN

Is so unbearable

Wake up in the morning (morning)

Yeah you know I'm yawnin' (yawnin')

Shawty really wont it so--

Imma get up on it---

I swear I got her right up in the mood

And what we do only finna stay up in the room

Just me and you

We finna get it in

Having sex in the morning

You can bring a friend

Chorus

We be having sex in the morning

We wake up

She on it

Imma beat that thang

Cause I know she really want it

Sex in the morning

She wake up

I'm yawning

The way she put it down really gotta nigga zoning

Sex in the morning

We wake up

She on it

Imma beat that thang
Cause I know she really want it
Sex in the morning
She wake up
I'm yawning
The way she put it down really gotta nigga zoning
