We get a lotta money
Yea we get a lotta guap
Money on my mind
Yea that's all I think about
Just hit up the bank, brought a couple stacks out
Then I called yo bitch over so I can blow that back out
Then we hit the mall and u know I got to splurgin
Get a lotta cheese and u know ya boy be purgin
I let it all goo
I spend it all on nuurthin... CUZ II CAN GET IT BACK boy
u kno I'm gettin stacks
I'm gettin money so much cake

And I'm makin yo bitches hungry
I'm a money makin machine my philosophy is cream
Nigga cash rules everything around me
But this aint wu tang man fuck a dollar dollar bill
I wont stop till I get about a mother fuckin billion
I'm about a gazillion years ahead u niggas
I'm gettin guap gettin gwop is my fetish
And gettin money is the only I'll ever be obsessed wit
