[Chorus x2]

Shawty what it is
Come and roll with me
I can show you thangs you only see on TV
forget ya boyfriend he do not treat you right
now come on girl we can go and kick it all night

Shawty what it is come and roll with me
you already know that they call me YP
I really like ya swag I really like ya smile
dim lips on ya ooo they drive me so wild
you say you gotta man but he do not treat you right
well let me tell you something baby girl you is a dime
you need a real dude that's gone do you right now
come and roll with me ill open up ya eyes lets hit the
diamond sto
and tell me watchu won't baby girl
you know that I make a lot of dough

now take my hand girl and you will see

[Chorus x2]

Shawty what it is
Come and roll with me
I can show you thangs you only see on TV
forget ya boyfriend he do not treat you right
now come on girl we can go and kick it all night

You is the the wifey type you is the girl I like
now were you wanna go girl ill book the flight

now baby girl go and tell me what that do

[Chorus x2]

Shawty what it is

Come and roll with me
I can show you thangs you only see on TV
forget ya boyfriend he do not treat you right
now come on girl we can go and kick it all night
