Yeah I think you get the message x2)  
(I'm young & I be flexin x4)

I'm young & I be flexin'  
You lames stay out of my section

And you know I love to smoke and I smoke nothing but  
that loud  
I be whippin' through the city with my speakers blasting  
loud  
Give a fuck about the neighbors - I anit turnin' my shit

show  
I got old chicks hitting my line- like from 30 to 34  
I may be young but I get down everywhere I go I shut

People still hating on me still- They still local I'm all

Yeah I think you get the message x2)
