(Wut wut)

This night is for you...

(Let's do it)

Walkin' past the girls waiting in line
Checkin' me out, hearin' the shouts, wonderin' what I'm
all about
Stepping in the club take a good look around
People jockin', bodies rockin', and it's all going down
(yea)
The lights are flashin', dj's spinnin', bass is pumpin',
ladies jumpin'
Fog attackin', guys are mackin', club is crackin', will it
happen

Girls are stepping every things a blur (c'mon)
My mind is trippin I see only her

Girl I know you see, all the eyes on me
But baby can't you feel my hands on you (wut wut)
By looking in my eyes, I know you'll realize
This moment is ours and tonight is for you
(Just for you)

Oh can I have this dance take a chance with me
Don't look at them cause that's not what I see (see)
I know you wondered why I just asked you (you)
To take my hand and make my dreams come true (uh)
My heart is thumpin', girls are something, bodies
pumpin', keep it comin'
Emotions showin', desires growin, girl our chemistry is
flowin

Girls are stepping every things a blur
My mind is (trippin') trippin' I see only her

Girl I know you see, all the eyes on me
But baby can't you feel my hands on you (wut wut)
By looking in my eyes, I know you'll realize

This moment is ours and tonight is for you
(Just for you)

Girl I know you see, all the eyes on me
But baby can't you feel my hands on you (wut wut)
By looking in my eyes, I know you'll realize
This moment is ours and tonight is for you
(Just for you)

Bridge:
Whoa...I feel the rush when I'm with you
And I can see it in your eyes that you're feelin this way
too

Breakdown (rap):
When I gazed into your eyes all I saw was blue
Your smile made me weak I knew it had to be true
The way I felt inside it was so surreal
My mind is realizing your sex appeal
Girl take my hand and walk with me
You know this night was just meant to be
Come on miss lady don't make me a fool
Cause baby this night is just for you

Girl I know you see, all the eyes on me
But baby can't you feel my hands on you (wut wut)
By looking in my eyes, I know you'll realize
This moment is ours and tonight is for you
(Just for you)

Girl I know you see, all the eyes on me
But baby can't you feel my hands on you (wut wut)
By looking in my eyes, I know you'll realize
This moment is ours and tonight is for you
(Just for you)
