I don't want you to go
I never want you to go
About a month ago
I had a live here of my own

All this things that I do
I give up all just for you
I know it's odd
But it's true, Like
When I think, I think of you

You made a mark on me
I can't let you leave
I feel see through
Can you see through me?

When I act this way I hope that it's ok
That I'm crazy
Are you crazy too?

Take it easy on me
It's not as easy for me
I'm to nervous to speak
It's not my fault you make me weak

I demand your respect
But im no upset
What ever you want to do
I guess that's what I wanted too

You made a mark on me
I can't let you leave
I feel see through
Can you see through me?

When I act this way I hope that it's ok
That I'm crazy
Are you crazy too?

I just stared but I wont get caught on falling
I'm not ready to fall

But, I'm losing oh!
I'm losing
I'm I crazy?
I hope you crazy too

You made a mark on me
I can't let you leave
I feel see through
Can you see through me?

When I act this way I hope that it's ok
That I'm crazy
Are you crazy too?

You made a mark on me
I can't let you leave
I feel see through
Can you see through me?

When I act this way I hope that it's ok
That I'm crazy
Are you crazy too?
