I started small time, dope game, cocaine
Pushin' rocks on the block, I'm never broke mayne
I started small time, dope game, cocaine
Boy don't test me I'm gettin' tired of teachin' lessons

Lil' Troy, a superstar, choppin' rocks on your block
Representin' Shortstop
Sellin' rocks, oh, see four point gold
Shortstop, double platinum sold

Tell my momma, she don't have to work no mo'
I pay the bills by the flow from the studio
And I was out in the game by old players and G's
Hollerin' 50 G's, LP's to CD's

I started small time, dope game, cocaine
So raise up off of me, I'll show 'em I'm a dope man
I started small time, dope game, cocaine
Boy they're fuckin' with me Troy man I done told 'em

I started small time, dope game, cocaine
Nobody crosses me, especially in this dope game
I started small time, dope game, cocaine
You try to school me you'll get served, with no regard

Uh, uh, excuse me, remember me?
And I be swangin' and bangin' biggin' and bangin' with
the E and G
And as for Yungstar, I've been in the game
I've learned the game, I've peeped game now I'm get a
50 a mayne

To rollin' riches, the G is licksin', for a 'lil rotation
Don't need it for the placement
They call me Tyke Ignition', in a blizzard, Shortstop
baby
They can't fade me, talkin' Mercedes

That's how we ride, south side nigga
How the fuck you figure? We some H-Town 'bout it type
niggaz

Leavin' this bitch, sick, three piece pitch, hittin' licks
Overseas, overseas, with bricks, trick

I started small time, dope game, cocaine
Boy don't test me I'm gettin' tired of teachin' lessons
I started small time, dope game, cocaine
So motherfuck you and that bullshit you stressin'

I started small time, dope game, cocaine
South Park, night falls, over the streets
I started small time, dope game, cocaine
Boy they're fuckin' with me Troy man I done told 'em

Peep game, peep game, straight 'caine
Feelin' five and thirty six, huh, I can't explain in mayne
I never use lower, to blow the dope up, to be load up
The girls show they ass when I roll up

In Benzoes, five double oh, you never knew
The trunk fizzo, I carry it on the low, low
Like the cheese, from the F E D
So I'm back up on the streets, slangin' G's

Over the years, I stacked mo' G's than trees grow
leaves
I've been in the industry, since nine three
My so called dogs, haven't paid me no royalties
Lord please, south side G's from fo's to three's

Cook up ki's, watchin' out for the enemies
They can't fuck with me, I'm a Charisma
Straight up G, cleaners keep me creased
Middle finger to police, Grim Reap meets to slay the
beast

I started small time, dope game, cocaine
So motherfuck you and that bullshit you stressin'
I started small time, dope game, cocaine
Shit ain't nothin' but the money flow in this camp

I started small time, dope game, cocaine
So watch your back and prepare for the hit man
I started small time, dope game, cocaine
Pushin' rocks on the block, I'm never broke mayne

Get yo' paper, watchin' out for them haters
Dressin' up in gators, takin' flights to Vegas
Rollin' navigators, on the seven acres
I'm a money maker dough baker, bitch breaker

Never ever be a faker, try to make a hit like Anita Baker

In the rap, in the dope game, tryin' to make some hits
mayne
Fo' sho', gotta let the people know how the game go
Shortstop break a bitch and gotta let the world know

Who back with the tracks, I guess I'm the Junior Mack
Hell yeah, I'm rollin' 'llac, Shortstop paper stack
