[Verse #1]

I'm cruzin' down the street
Bumpin' my beats (Hey, hey!)
Stopped at a red-light.
In my rearview I see
Something moving closely
Up to this red-light.
What did I see?
This sexy lady on a motor bike.
Then, she zoomed by me,
Cause I forgot about the green light.
So!

I hit the gas.
Started chasin' after her.
I was movin' fast,
Doin' anything 2 catch her.

[Chorus]

Cause when I saw her zoom by,
Her eyes were on me.
I asked her for the green light,
So I could feel her fantasies.
But she said, it's no need for us to rush,
No need for us to rush (5x).
(Hey!)

[Verse #2]

She makes a left turn, (Hey!)
Into a parking structure.
I make a left turn, (Hey!)
Following right behind her.

She waves me says,
Boy come a little closer.
I move her way but she,
Moves a little farther. So.

I hit the gas.
Started chasin' after her.
I was movin' fast,
Doin' anything 2 catch her.

[Repeat Chorus]

[Rap]

Like it's rush hour,
Me & my whip looking like we just showered.
Now we at the club, if you want we can get in.
I just need the green light, call me John Legend.
(Zoom!)
She went ahead of me & grabbed my hand.
She was like tonight you are gonna' be my man.
Follow my plan, but I do not one night stand.
I'm like, ain't no need to worry I don't hurry.
I take it slow kinda like the cops are behind me.
Yellow light girl I obey the law. I see.
Even though it's night, no high beams.
We'll hit the freeway later, you know what I mean.

[Repeat Chorus]
