When the night falls down  
I wait for you, and you come around  
And the worlds alive  
with the sounds of kids on the street outside

When you walk into the room  
You pull me close and we start to move  
and we're spinning with the stars a glow  
and you lift me up in a wave of love

heaven...

ooh baby do you know what that's worth?  
ooh heaven is a place on earth  
you say in heaven  
love comes first  
we'll make heaven our place on earth

ooh heaven is a place on earth

ooh baby do you know what that's worth?  
ooh heaven is a place on earth  
you say it in heaven  
love comes first  
we'll make heaven our place on earth

when i feel alone i reach for you and you bring me  
home  
when im lost at sea i hear your voice and it carries me  
in this world we're just begining to understand the  
miracle of living  
baby i was afraid before but im not anymore

ooh baby do you know what that's worth?  
ooh heaven is a place on earth  
you say it in heaven  
love comes first  
we'll make heaven our place on earth

ooh heaven is a place on earth

heaven (x4)

when you walk into the room you pull me close and we  
start to move  
and we're spinning with the stars aglow and you lift me  
up in a wave of love

ooh baby do you know what that's worth?  
ooh heaven is a place on earth  
you say it in heaven  
love comes first  
we'll make heaven our place on earth

ooh heaven is a place on earth (x3)

ooh heaven(x6)
