Stay a little longer,
I know you have to go home to,
someone who loves you,
only half as much as I do.

Oh stay, stay a little longer,
I only see you now and then,
and every time you walk out the door baby,
I think I won't ever see you again.

Sometimes I say, girl call it a day,
and a find, somebody new.

Every turn I make, every road I take,
leads me here, right back, to you whoa.

Hold on, your love,
your love, I have to share.

We have to hide, we have to hide
oh I know but fair.

Listen baby, if I could be with you,
then maybe, I won't care,
if you stay, stay, staying,
I'm praying, ohhh.

Stay, just a little bit longer,
just a little bit longer,
please, please, please.

Stay, just a little bit longer,
just a little bit longer.
Hu ma hey, hu ma hah.

Stay, just a little bit longer,
just a little bit longer.
Yes, I'm proud and I'll say it out loud.

Stay, just a little bit longer,
just a little bit longer.

Take a load off fanny and put it on me.

Stay, just a little bit longer,
just a little bit longer.
Honey, honey, honey, honey
