Yow! Ya-yo! Mi never no say fi we believe in safer sex,  
and outside of marriage we will na go and matest.  
Mi know seh abstinence before marriage a di best.  
Be give them all your best. Cha! So

(Chorus)

Get it in ya hear, abstinence  
Spread around the word and start talking aroundst you  
No wed, no bed, abstinence  
So the youths them haffi hear more and about  
announce  
(X2)

Them long out thier mouth every time them hear mi  
song  
Them think seh them right, but mi know seh them  
wrong  
Them don't want hear the truth ca the truth always hurt  
them  
Rather give the youth some condoms and mek them go  
flirt  
Mi talk the truth straight up with a no compromise  
Mi no tell the youth man go condomise  
Mi cyant tell a girl sex outta marriage is fine  
Mi rather tell the youths them ups mi no tell the right  
time, so

Chorus

If you really love and care for me, you know you haffi  
wait  
Untill we get married, then we will get intimate  
But if ya burning, a cold shower you shall take  
Real love is patience, so we na go fornicate  
Sex is not all, there's a lot more we can do  
Look, for instance, we could take a walk inna di zoo  
Mi tell ya mi cyan't sex, don't feel mi a gay  
Flow masters a go follow what the Bible a say, so

Chorus
