I remember when, I remember, I remember when I lost
my mind.
There was something so pleasant about that place.
Even your emotions had an echo in so much space.
And when you're out there, without care, yeah, I was
out of touch
But it wasn't because I didn't know enough, I just knew
too much.

Does that make me crazy? Does that make me crazy?
Does that make me crazy? Possibly.

An I hope that you are having the time of your life
But think twice, that's my only advice.
Come on now, who do you, who do you, who do you
Who do you think you are? Ha ha ha, bless your soul!
You really think you're in control.

Well, I think you're crazy, I think you're crazy.
I think you're crazy, just like me.

My heroes had the heart to lose their lives out on a limb
An all I remember is thinking I wanna be like them.
Ever since I was little, ever since I was little it looked
like fun
It was no coincidence I've come and I can die when I'm
done.

But maybe I'm crazy, but maybe you're crazy.
Maybe we're crazy, probably.
