You sold me, sold me down the river
You sold me, sold me down the river
When you told me, you make no (?) sugar
You sold me, sold me down the river

I'm floating, i'm just here, i'm floating, i'm floating
Floating down the river

You sold me, sold me down the river
You sold me, sold me down the river
When you told me, you make (no little bit of my sugar)
You sold me, sold me down the river

I'm floating, i'm just here, i'm floating, i'm floating
Floating down the river
