numbers, state green, OG reclining Accurate timing,
plus he's in the same house that I'm in Team got
murdered; fuck the 30 bricks on consignment And he's

getting hazed on the V.I. [Milk Murder] Yeah I'm outta

Same as that cat who wears waves to the side African

or 40 G's They buried all the fiends And chopped up

and let 'em hold the pole I know you in the pen, hate to
