es isch es hÄxus liecht wo mi begleitet
womir hiuft zgse, was i nie ha gse
i hamer nie gwagt o nur z'ertrÄ¶ime,
dass Ä¶ppis chunnt, so Ä¶ppis chunnt

und es isch nie so, wi ide biuige fiume,
wo dr himu rot wird u nÄxr so blibt
es isch vii me so, dass nachem tag d'nacht foug
vorem flug e start und bis zum boum geduld

i gse so e wite wÄxg vor mir
und vii me aus nÄxtti liebi
es sÄ¶u rÄxgne es sÄ¶u schine bi Ä¼s
de chas wachse u blÄ¼he bi Ä¼s

i gse so e wite wÄxg mit dir
und vii me aus nÄxtti liebi
es sÄ¶u rÄxgne es sÄ¶u schine bi Ä¼s
de chas wachse u blÄ¼he bi Ä¼s

i blibe wach bis du trÄ¶imsch

TRANSLATION from SWISS GERMAN:

it is a bright light, that accompanies me
that helps me see, what i never saw
i never dared to even dream
that something could come, something like that

and it's never like in the cheap movies
where the sky turns red and then stays that way
it's more kind of this: after day follows night
before the flight a start, and till the grown tree:
patience

i see such a long road ahead
and so much more than just neat love
it shall rain and shine at ours
so it can grow and blossom at ours

i see such a long road with you
and so much more than just neat love

it shall rain and shine at ours
so it can grow and blossom at ours

i'll stay awake til you're dreaming
