You got the touch
You got the power

After all is said and done
You've never walked, you've never run,
You're a winner

You got the moves, you know the streets
Break the rules, take the heat
You're nobody's fool

You're at your best when when the goin' gets rough
You've been put to the test, but it's never enough

You got the touch
You got the power

When all hell's breakin' loose
You'll be riding the eye of the storm

You got the heart
You got the motion

You know that when things get too tough
You got the touch

You never bend, you never break
You seem to know just what it takes
You're a fighter

It's in the blood, it's in the will
It's in the mighty hands of steel
When you're standin' your ground

And you never get hit when your back's to the wall
Gonna fight to the end and you're takin' it all

You got the touch
You got the power

When all hell's breakin' loose

You'll be riding the eye of the storm

You got the heart
You got the motion

You know that when things get too tough
You got the touch

You're fightin' fire with fire
You know you got the touch

You're at your best when when the road gets rough
You've been put to the test, but it's never enough

You got the touch
You got the power

You got the touch
You got the power
