Well I've been seeing you around for a while
Always at the front of the stage wearing a smile
Well you don't seem to give a damn, you seem to
understand.

Trouble follows me to where I am
And if it's cool with you, we can take this whole thing
slow
We don't need to brag about it baby, no one needs to
know

So if you won't tell, I won't tell
Just show me yours I'll show you mine
If you won't tell, I won't tell
Just show me yours, I'll show you mine
If you won't tell, I won't tell
And if they ask us where we've been, I won't tell.

Well I've got you where I want you baby, keep it on the
low.
I'll meet up with you later when we finish with the show
Shh, somebody's coming and I, ain't trying to be mean
But I've got to get you somewhere where no one can
hear you scream

If you won't tell, I won't tell
Just show me yours I'll show you mine
If you won't tell, I won't tell
Just show me yours, I'll show you mine
If you won't tell, I won't tell
And if they ask us where we've been, I won't tell.

Well I never cared for cigarettes, but I'd burn one with
you
You know how bad I needed what you, just put me
through
I've been an animal locked inside of my cage
And there will be, no history I just tore out the page

So if you won't tell, I won't tell
Just show me yours I'll show you mine
If you won't tell, I won't tell

Just show me yours, I'll show you mine
If you won't tell, I won't tell
And if they ask us where we've been, I won't tell.
And if they ask us where we've been, I won't tell
And if they ask us where we've been, I won't tell
Somebody's coming,
