I can make a woman weak
I can make a small man stand tall
I can start wars
And I can put an end to them all
I can chain you down and I can set you free
I can make you feel so high and bring you down to your
knees

My name is Money
Money is my name
Well hello my name is Money
Money is my name,

I can make it rain on you,
But Lord I sure do shine
I can bring you love,
But I'm not the settle down kind
I can make your eyes light up,
Put a dazzle in your smile, yeah
I can make you die for me without a single question
why.

My name is Money
Money is my name
Well hello my name is Money
Oh yeah, Money is my name,
Oh yeah, yeah

I can show you who your friends are.
I can show you who they are not.
Hey, I change your mind without a second thought.

My name is Money,
Oh yeah, Money is my name

All the pretty girls think it's sexy
When the rich boys say my name
Yeah, yeah, yeah!
Hello my name is Money
Oh yeah, Money is my name!
Well hello my name is Money

Yeah, Money is my name,

Hello, my name is Money!

Hello, hello, oh Money,

That's my name

Say my name

Oh won't you say my name

I wanna hear you say my name
