finally i figured out,  
but it took a long long time.  
now theres a turn about  
maybe cause im tryin  
theres been times. (im so confused)  
down my road (but it leads to you)  
i just cant turn and walk away.  
its hard to say what it is i see in you  
wonder if ill always be with you  
words cant say it,  
i cant do, enough to prove  
its all for you.  
and i thought id seen it all  
cause its been a long long time.  
oh but ill trip and fall  
wonder if im a live  
theres been times (im so confused)  
down my road (but it leads to you)  
just cant turn and walk away.  
its hard to say what it is i see in you,  
wonder if ill always be with you.

words cant say it,  
i cant do, enough to prove,  
its all for you.  
rain comes pouring down...  
falling from blue skies.  
words without a sound  
comming from your eyes.  
finally i figured out,  
but it took a long long time  
oh now theres a turn about  
maybe cause im tryin.  
theres been times (im so confused)  
down my road (and it leads to you)  
just cant turn and walk away...  
its hard to see what is i see in you  
wonder if ill always be with you  
words cant say it  
i cant do enough to prove  
its all for you  
well its hard to say what it is i see in you  
wonder if ill always be with you.  
words cant say it,  
i cant do, enough to prove  
its all for you
