Tryin' to make a train at sunrise
Gonna have to run a red light
Tryin' to make a train at sunrise
Gonna have to run a red light
Travelin' with my Carolina
You know, the girl kept me up all night
And when my Carolina throw down
You know, the girl know how to fight
Don't think we're gonna make it
There's nothing else that anyone could do
I don't think we're gonna make it
There's nothing else that anyone could say
I almost got the feeling
That Carolina likin' it that way
Said I'm waitin' on the trainman
To wait and take the pain away
Hear what I say
All aboard, all aboard
Wait for me, wait for me, wait for me
Trainman kept his promise
I'm gonna try and go on back to bed

The trainman kept his promise

I'm gonna try and go on back to bed

I can't sleep anyway

Thinkin' 'bout what my Carolina said

And, oh, my Carolina

Runnin' like a freight train through my head

Yeah, yeah, what I said
