I pick up my smile put it in my pocket

Hold it for a while try not to have to drop it

Men are not to cry so how am I to stop it

Keep it all inside dont show how much she rocked ya

CHORUS:

Ooh can you feel the same

Ooh you gotta love the pain

Ooh it looks like rain again

Ooh I feel it comin in

The mountains win again

The mountains win again

Dreams we dreamed at night were never meant to
come to life

I cant understand the ease she pulled away her hand

This time in my life I was hurt enough to care

I guess from now on Ill be careful what I share

CHORUS

A pocket is no place for a smile anyway

Someday I will find love again will blow my mind

Maybe it will be that love that got away from me

Is there a line to wrie that could make you cry tonight

Can you feel the same

Yeah ya gotta love the apin

Ooh it looks like rain again

Ooh feel it comin in

The mountains win again

Ooh the mountains win again
