I pick up my smile put it in my pocket

Hold it for a while try not to have to drop it

Men are not to cry so how am I to stop it

Keep it all inside don't show how much she rocked ya

-

Chorus:

Ooh can you feel the same

Ooh you gotta love the pain

Ooh it looks like rain again

Ooh I feel it comin' in

The mountains win again

-

Dreams we dreamed at night were never meant to
come to life

I can't understand the ease she pulled away her hand

This time in my life I was hurt enough to care

I guess from now on I'll be careful what I share

-

(CHORUS)

-

A pocket is no place for a smile anyway

Someday I will find love again will my mind

Maybe it will be that love that got away from me

Is there a line to write that could make you cry tonight

(CHORUS
