Hey.. no es dificil de entender
los problemas que hay
ahora simplemente debes irte y sin pensar
que no te puedes parar
tampoco preocupar
recuerda que a mi lado nada te sucedra

RUNAWAY you can RUNAWAY
(Tell me why)
Its necessary What can you do?
(1 2 3)
I Know that a new day will come for you
(What the hell?)
so maybe tomorrow you'll be ok yeah!!

RUNAWAY you can RUNAWAY
(Tell me why)
Its necessary What can you do?
(1 2 3)
I Know that a new day will come for you
(What the hell?)
so maybe tomorrow you'll be ok yeah!!

No es dificil entender
los problemas que hay
ahora simplemente debes irte y sin pensar
asi que no miras atras
date la oportunidad
de alejarte de todo lo que te destruye ya!

RUNAWAY you can RUNAWAY
(Tell me why)
Its necessary What can you do?
(1 2 3)
I Know that a new day will come for you
(What the hell?)
so maybe tomorrow you'll be ok yeah!!
