I lie beside, I'm tied  
Make-up on my dress  
Her vicious game begins  
Its just one minute past  
I grow thinner  
I grow weak, but I know I must stay  
'cause Im to keep your loneliness away  
"I like your taste" she says  
"because you taste like me"  
The scenery proceeds  
It's just one minute past  
I grow thinner  
I grow weak, but I know I must stay  
'cause Im to keep your loneliness away  
I'm locked up by your device  
And I'm to fill your loneliness with lies  
I will not decide for her
