let's shoot another picture of my face
take me back where i belong
i'm in the mud i can't get out
deep in my self where i belong

and it's pulling me down
and there i go, i can feel it reaching for my feet
and in a while i'll be sucking mud from my teeth
in this place as i'm thinking about my sense
while it's taking me in

well if this was a question of my luck
i'll be laughing as i drown
well, i'm out of rope and out of reach
deep in myself where i belong

and it's pulling me down
and there i go, i can feel it reaching for my feet
and in a while i'll be licking mud from my teeth
in this place that's been tricking me from the start
and now it's tearing me up and apart
it's pulling me down
ah it's pulling me down

it's a way to go man

what do i do now

and it's pulling me down
and there i go, i can feel it reaching for my feet
and in a while i'll be sucking mud from my teeth
in this place that's been tricking me from the start
and now it's tearing me up and apart
it's pulling me down
oh it's pulling me down

and it's a way to go man

what do i do now

and i hope, yes, i hope somebody come by

make it now 'cause i'm running out of time

and i hope, yes, i hope somebody come by
make it now 'cause i'm running out of time

and i hope, yes, i hope somebody come by
make it now 'cause i'm running out of time

and i hope, yes, i hope somebody come by
