Volare, oh oh, cantare, oh oh oh oh

Let's fly way up to the clouds, away from the
maddening crowds
We can sing in the glow of a star that I know of
Where lovers enjoy peace of mind
Let us leave the confusion and all disillusion behind
Just like bird of a feather, a rainbow together we'll find

Volare, oh oh, e contare, oh oh oh oh

No wonder my happy heart sings
Your love has given me wings
Sometimes the world is a valley of heartaches and
tears,
And in the hustle and bustle, no sunshine appears,
But you and I have our love always there to remind us
There is a way we can leave all the shadows behind us.

Volare, oh, oh! cantare, oh, oh, oh, oh!

Let's fly way up in the clouds, away from the
maddening crowds
We can sing in the glow of a star that I know of
Where lovers enjoy peace of mind
Let us leave the confusion and all disillusion behind
Just like birds of a feather, a rainbow together we'll find

Volare, oh, oh! cantare, oh, oh, oh, oh!

No wonder my happy heart sings, your love has given
me wings
Your love has given me wings, your love has given me
wings
